PREPARING FOR YOUR DAY

We want your visit to us to be as perfect as possible, so here are a few helpful tips to ensure your time here is extra special.

As a courtesy to all our guests we operate a prompt appointment schedule so suggest you arrive at least 20 minutes prior to your appointment. This will allow time to complete a thorough consultation, change and wind down.

If you are late, we will only be able to offer you the appointment time remaining on your treatment. Please switch your mobile to silent when you arrive to ensure your relaxation as well as that of others.

Robes, towels and slippers are provided for the use of Day Spa guests on special packages. You will be allocated a locker if you are having a Spa Day, please ensure all valuables are securely locked away. We recommend you bring minimal jewellery as we are not responsible for loss or damage to clients' personal belongings, however caused.

GIFT VOUCHER

Whatever the occasion, the gift of SPA is only a phone call away. Call us with your credit card details and we will send your chosen recipient a personalised Spa at Old Hall Gift Voucher and treatment menu. Vouchers cannot be replaced if lost or stolen and cannot be refunded in part or full once purchased. Vouchers have an expiry date of 1 year from purchase, and may only be extended at our discretion. Where a Voucher is for a sum of money (rather than a specific treatment) we regret we are unable to refund cash in lieu of an unused amount. We will however be pleased to 'hold over' the unused portion against a further treatment booked at the time. Voucher numbers are required at time of booking.

TREATMENT CONTRA-INDICATIONS

All treatments are carried out subject to completion of our Medical Questionnaire, which we will complete with you on arrival. There may be contra-indications relating to some treatments or facilities. If a treatment is considered to be unsuitable, our qualified Therapists will recommend an alternative, subject to availability.

Clients with heart conditions, high or low blood pressure, circulatory disorders, gynecological disorders, epilepsy, arthritis, rheumatism, diabetes, pregnancy, allergies and possibly other conditions should seek the advice of their doctor, prior to booking. Should you have any concerns please check in advance with us prior to making your appointments.

CORPORATE PACKAGES

We offer companies the opportunity to improve the wellbeing of their staff by investing in a customised Corporate Package. Please contact us for further information.

BOOKING

Please call us to book your appointment and to discuss any special needs or questions you may have. We do require credit card payment in full for all Day Spa Packages and 48 hours notice to cancel your appointment otherwise the full cost will be charged. Regretfully we cannot accommodate children in The Spa.

Please note, we will request your credit card details and may ask for pre-payment to confirm general weekend bookings.
